Awards and Accreditations:

1H 2021 Key Highlights

Strengthen **Income Stream**

Strong Leasing Momentum

0.8%

Proactive leasing efforts saw new, renewal and expansion leases secured with clients. Including the latest renewal lease signed in July 2021, only 0.8% of leases¹ are expiring for the remainder of the year.

High Portfolio Occupancy

98.0%²

as at 30 Jun 2021.

Long Portfolio WALE

6.5 years^{3,4}

by leased area.

Sustainable Growth

Stable Distributable Income

\$84.3m

for 1H 2021, which was 12.4% higher y-o-y compared to 1H 2020, due mainly to contributions from accretive acquisitions and completion of asset enhancement initiative works.

Continued DPU growth

4.924 cents

for 1H 2021, which was 12.5% above 1H 2020's DPU.

Annualised DPU yield

3.96%

based on the market closing price of \$2.490 per Unit at 30 Jun 2021.

Financial Flexibility

Aggregate Leverage⁵

36.7%

as at 30 Jun 2021, providing comfortable debt headroom to pursue growth.

High Interest Coverage

12.9 times

as at 30 Jun 2021.

Average Cost of Debt⁶

1.5%

as at 30 Jun 2021.

- 1. By leased area, and 1.6% by rental income. As at 30 Jun 2021, leases expiring for the remainder of the year was 1.7% by leased area and 7.6% by rental income.
- 2. Post-acquisition of Guangdong Data Centre and assuming the acquisition was completed on 30 Jun 2021, portfolio occupancy would be 98.2%.
- 3. WALE by rental income was 4.9 years as a higher proportion of rental income is from colocation assets, which typically have shorter lease periods.
- 4. Post-acquisition of Guangdong Data Centre and assuming the acquisition was completed on 30 Jun 2021, WALE would be 7.3 years by leased area and 5.3 years by rental income.
- 5. Aggregate leverage was computed based on gross borrowings and deferred payment as a percentage of the deposited properties, both of which do not take into consideration the lease liabilities pertaining to land rent commitments and options.
- 6. Including amortisation of upfront debt financing costs and excluding lease charges.

Value Creation Strategy

Widened Mandate with Continued Focus on Data Centres

- Access to wider range of opportunities such as data centre campuses with non-data centre assets (e.g. distribution centre, fibre network) and edge data centres
- At least 90% of AUM will continue to be data centres
- Proposed investment in debt securities and preference shares into M1's network assets¹
 - Expected to be highly yield accretive, without having to assume any operational risks
 - Generate long-term stable income to Unitholders for 15 years

Completion of Intellicentre 3 East Data Centre (IC3 East DC) in Sydney

- Development completed on 13 Jul 2021
- Total development cost of A\$26.0m (approx. S\$26.6m²)
- IC3 East DC and Intellicentre 2 Data Centre located within the same site in Macquarie Park, and will collectively be renamed Intellicentre Campus
- Commencement of a new 20-year triple net master lease with Macquarie Data Centres at Intellicentre Campus

Tapping into China's Growing Digital Economy

- DPU-accretive acquisition of Guangdong Data Centre in Jiangmen, Guangdong Province
- Inroads into the fast-growing data centre market in China
- Improves Keppel DC REIT's portfolio occupancy, as well as strengthens income resilience and distributions to Unitholders

Guangdong Data Centre is located within the Greater Bay Area, which includes Guangzhou and Shenzhen, one of China's most vibrant economic regions

Maiden Data Centre Acquisition into China

- 1 First investment in China, the largest growing data centre hub in Asia
- DPU-accretive acquisition consistent with Keppel DC REIT's investment strategy
- 3 Improve portfolio occupancy and income diversification

Guangdong Data Cent	re
Description	 7-storey data centre designed in accordance with the Code for Design of Data Centre Grade A GB¹ 1 of 6 data centres buildings to be completed in the Bluesea Intelligence Valley Mega Data Centre Campus
Key highlights	 Sale and leaseback on a triple net basis² for 15 years Purchase Consideration represents 7.8% discount to the independent market valuation³ Right of first refusal to acquire remaining 5 data centres to be developed within the campus
Lettable Area	20,595 sm (221,689 sq ft)
Land Tenure	Leasehold with approx. 46 years remaining
Purchase Consideration	RMB 635.9m (approx. S\$132.0m ⁴)

- . Grade A is the highest standard for data centres in the People's Republic of China ("PRC").
- 2. With the exception of applicable real estate tax which the lessee shall bear up to a certain threshold.

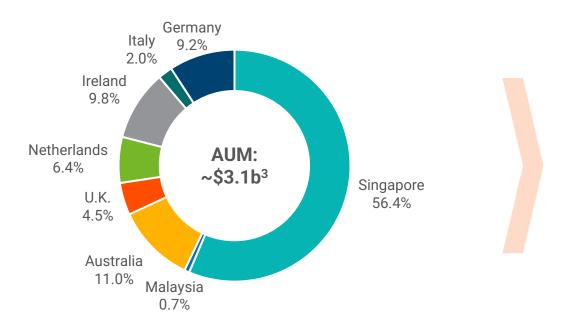

^{3.} Based on the valuation by Savills Valuation and Professional Services (S) Pte Ltd, an independent valuation firm appointed by the trustee of Keppel DC REIT, the market value of the property was RMB 690.0 million (approximately \$\$143.2 million) as at 1 Jul 2021.

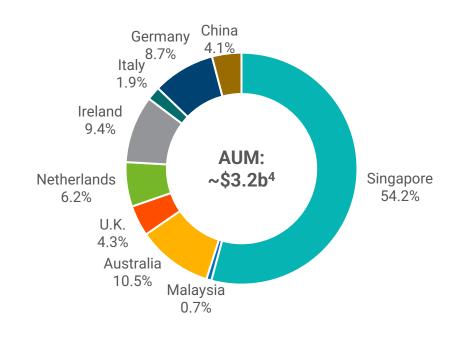

^{4.} Based on an exchange rate of RMB 1.00:S\$0.2076 as at 30 Jun 2021

1st Investment in China, Asia's Largest Growing Data Centre Hub

Foothold in the 2nd largest data centre market globally and the largest in APAC¹

- Guangdong has the highest share of large scale data centres, commanding over 20% of the market²
- Located within the Greater Bay Area, one of China's most vibrant economic regions
- Increased geographical diversification to nine countries globally

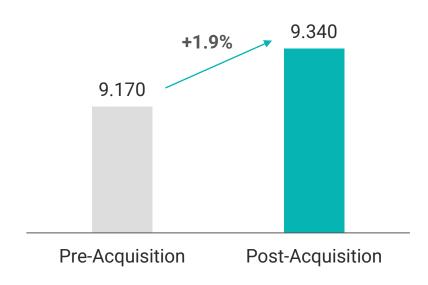

- Source: Datacentrepricing, Sep 2020.
- Source: Cushman & Wakefield.
- Based on Asset Under Management ("AUM") as at 30 Jun 2021.
- 4. Based on AUM as at 30 Jun 2021 and post-acquisition of Guangdong Data Centre.

DPU-Accretive Acquisition

Pro Forma DPU (cents)¹

Effects of the Acquisition based on *Pro Forma*¹

	Pre-Acquisition	Post-Acquisition
Net Profit before Tax (S\$'000)	192,750	198,314 ²

by leased area

Portfolio Updates

- Proactive leasing efforts resulted in new, renewal and expansion leases secured with clients at the Singapore and Dublin data centres, including some renewals ahead of expiry
 - Including the latest renewal lease signed in July 2021, only 0.8% of leases³ are expiring for the remainder of the year.
- Completion of Intellicentre 3 East Data Centre (IC3 East DC) in Sydney at a total development cost of A\$26.0m (approx. S\$26.6m⁴)
 - Commencement of the 20-year triple net master lease with Macquarie Data Centres for Intellicentre Campus⁵
- Granted iseek the option to purchase Keppel DC REIT's 100% interest⁶ in the iseek Data Centre in Brisbane for A\$34.5m (approx. S\$35.3m⁴)
 - Key term negotiated together with iseek's long lease renewal, and is in line with Keppel DC REIT's strategy to continually review and selectively consider divestments to ensure an optimal portfolio mix
- Exercised option for the 30-year extension of the leasehold land tenure for Keppel DC Singapore 2 with effect from 1 Aug 2021

Lease Expiry Profile (as at 30 Jun 2021)

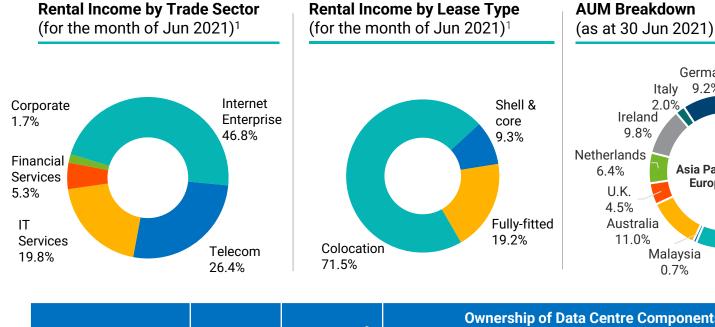

- 1. Post-acquisition of Guangdong Data Centre and assuming the acquisition was completed on 30 Jun 2021, portfolio occupancy would be 98.2%. WALE would be 7.3 years by leased area and 5.3 years by rental income
- 2. WALE by rental income was 4.9 years as a higher proportion of rental income is from colocation assets, which typically have shorter lease periods.
- By leased area, and 1.6% by rental income. As at 30 Jun 2021, leases expiring for the remainder of the year was 1.7% by leased area and 7.6% by rental income.
- Based on the exchange rate of A\$1:S\$1.0231, as at 30 Jun 2021.
- 5. Located within the same site in Macquarie Park, IC3 East DC and Intellicentre 2 Data Centre will be collectively renamed Intellicentre Campus
- 5. Excluded within the same size in Macquarie Faix, 105 Last Do and member the 2 Data Centre will be collectively renamed interlicently campus.

 6. Through its wholly-owned subsidiary, KDCR 1 Limited. The option to iseek Pty Ltd (iseek) will commence on 1 Aug 2021 and expire on 31 Jul 2026. Keppel DC REIT will make the necessary announcements if and when the divestment takes place.

2. By leased area as at 30 Jun 2021.

Outlook

Global data centre infrastructure projected to reach \$200b in 2021, a 6% increase from 2020 as hyperscalers accelerate global data centre expansion, while organisations resume data centre expansion plans¹

Robust and Resilient Data Centre Demand

- End-user spending on public cloud services is forecasted to grow 23.1% in 2021 to \$332.3b, up from \$270b in 2020²
- Hyperscale cloud operator capex in the first quarter of 2021 was up by 31% from 2020, reaching a high of US\$38b³

Worldwide investment in data centre infrastructure expected to surge past US\$26b by 2025⁴

Demand for data centres in APAC expected to increase with 5G growth, which will account for ~30% of total mobile subscriptions by 2024, and reach 44% in 2026⁵

Record demand for Europe colocation capacity in 2021 and such demand will remain elevated in 2022 and 2023⁶

Renewable energy increasingly being used as 75% of the power supplied to data centres in Europe will be through renewable energy or carbon-free energy by 2025, with an aim to reach 100% by 2030⁷

Well-Positioned for Growth

The Manager will continue to capitalise on growth opportunities in the data centre industry, and strengthen Keppel DC REIT's global presence.

Proxy to Fast-Growing Tech Sector

Resilient asset class with highly defensive and long-term sustainable income stream

Strong operational expertise and proven track record

Focused and disciplined investment strategy

- Growing a diversified portfolio of assets globally, with a large and stable client base
- Over S\$2 billion of data centre assets under development and management through our sponsor, Keppel T&T¹, and Keppel's private data centre funds

Ongoing commitment to address climate change issues

- Utilising green energy, where available, at our data centres
- Pursuing sustainability-related certifications
 - Keppel DC REIT joins industry players in Europe as a signatory of the Climate Neutral Data Centre Pact
- Potential new sustainable growth opportunities including Keppel Data Centres' Floating Data Centre Park project

Thank You

Important Notice: The past performance of Keppel DC REIT is not necessarily indicative of its future performance. Similarly, the past performance of Keppel DC REIT Management Pte. Ltd., as manager of Keppel DC REIT (the "Manager") is not indicative of the future performance of the Manager. Certain statements made in this presentation may not be based on historical information or facts and may be "forward-looking" statements due to a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses, including employee wages, benefits and training, property expenses and governmental and public policy changes, and the continued availability of financing in the amounts and terms necessary to support future business.

Prospective investors and unitholders of Keppel DC REIT ("Unitholders") are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of the Manager on future events. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information, or opinions contained in this presentation. None of the Manager, the trustee of Keppel DC REIT or any of their respective advisors, representatives or agents shall have any responsibility or liability whatsoever (for negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection with this presentation. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. The value of units in Keppel DC REIT ("Units") and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on Singapore Exchange Securities Trading Limited ("SGX-ST"). Listing of the Units on SGX-ST does not guarantee a liquid market for the Units.

This presentation is for information only and does not constitute an invitation, offer or solicitation of any offer to acquire, purchase or subscribe for Units in Keppel DC REIT.

Additional Information

Commitment to Sustainability

ENVIRONMENTAL STEWARDSHIP

In line with Keppel's Vision 2030, we will do our part to combat climate change, and are committed to improving resource efficiency and reducing our environmental impact.

RESPONSIBLE BUSINESS

The long-term sustainability of our business is driven at the highest level of the organisation through a strong and effective board, good corporate governance and prudent risk management.

PEOPLE AND COMMUNITY

People are the cornerstone of our business. We are committed to providing a safe and healthy workplace, investing in developing and training our people, and uplifting communities wherever we operate.

Through Keppel Capital, the Manager supports the United Nations (UN) Global Compact as a signatory and adopts the Compact's 10 universal principles, which include human rights, labour, environment and anti-corruption.

Align sustainability approach with the Sustainable Development Goals to ensure that Keppel DC REIT's ESG efforts help address the most crucial sustainability issues globally.

^{1.} Refers to the leases entered into by Keppel DC REIT with the Keppel lessees in relation to Keppel DC Singapore 1, Keppel DC Singapore 2, Keppel DC Singapore 3, Keppel DC Singapore 4 and Keppel DC Singapore 5 respectively. Due to the pass through nature of the Keppel leases, Keppel DC REIT will substantially enjoy the benefits and assume the liabilities of the underlying colocation arrangements between Keppel lessees and the underlying clients.

5. Keppel DC REIT has in place colocation arrangements with the clients of Keppel DC Dublin 1 and Keppel DC Dublin 2.

^{2.} Colocation arrangements are typically entered into by end-clients who utilise colocation space for the installation of their servers and other mission critical IT equipment. Keppel DC REIT is usually responsible for facilities management in respect of such colocation arrangements, except in the case of Basis Bay Data Centre where the client is responsible for facilities management.

^{3.} Keppel DC REIT has in place the iseek Lease with the client of iseek Data Centre. While the iseek Lease is called a colocation arrangement, the terms thereof are structured as effectively equivalent to a double-net lease.

4. The development of IC3 East DC was completed on 13 Jul 2021. Located within the same site in Macquarie Park, IC3 East DC and Intellicentre 2 Data Centre will be collectively renamed Intellicentre Campus.

Keppel DC REIT Structure as (at 30 Jun 2021)
